Three professors hold tenured joint appointments in Arts & Sciences as well as the School of Engineering: Psychology and Computer Science; Mathematics and Computer Science; and Education and Chemical & Biological Engineering. These appointments are counted once in each school, but only once in the university total. The total number of AS&E Faculty represents unique individuals; all those with joint appointments are counted only once.

The Cummings School of Veterinary Medicine faculty are not eligible for tenure. The faculty shown here include all those with “continuous term” appointments, including those currently serving as university administrators, as well as full-time non-continuous term-track faculty with unmodified titles.

Friedman SNSP did not offer tenure or tenure-track positions until 2006-07.

Dental School does not include unpaid faculty.

Medical School includes one professor who holds tenure (in Anatomic and Clinical Pathology) but is not paid by Tufts.

The University grand total number of faculty represents unique individuals; all those with joint appointments are counted only once.

Total University	Tenure totals

	T	TT	NTT	Grand Total
Grand Total University	395	115	461	971

Three professors hold tenured joint appointments in Arts & Sciences as well as the School of Engineering: Psychology and Computer Science; Mathematics and Computer Science; and Education and Chemical & Biological Engineering. These appointments are counted once in each school, but only once in the university total. The total number of AS&E Faculty represents unique individuals; all those with joint appointments are counted only once.

The Cummings School of Veterinary Medicine faculty are not eligible for tenure. The faculty shown here include all those with “continuous term” appointments, including those currently serving as university administrators, as well as full-time non-continuous term-track faculty with unmodified titles.

Friedman SNSP did not offer tenure or tenure-track positions until 2006-07.

Dental School does not include unpaid faculty.

Medical School includes one professor who holds tenure (in Anatomic and Clinical Pathology) but is not paid by Tufts.

The University grand total number of faculty represents unique individuals; all those with joint appointments are counted only once.
